

# MATERIAL SAFETY DATA SHEET

## SECTION 1

Supplier's Name: **W. A. CLEARY PRODUCTS, INC.** Tel. No.: (732) 247-8000  
 Address: 1049 Route 27 P. O. Box 10 Fax: (732) 247-6977  
 City & State: Somerset, NJ 08875-0010

TRADE OR GENERIC NAME: **WRAPPER EASE**

Ingredients: Water, Mineral Oil, Sorbitan Monostearate, Sorbitan Fatty Acid Esters, Potassium Sorbate, Propylene Glycol, & Citric Acid

## SECTION 2 PHYSICAL DATA

Physical State (Liquid) <u>liquid</u>	pH <u>6+</u>	Solubility in emulsifiable Water
Physical State (Solid) <u>NA</u>	Boiling Point <u>210-215</u> (°F)	Partition/ Coefficient <u>NA</u> (Water/Octanol)
Appearance <u>white, opaque;</u>	Melting Point <u>NA</u> (°F)	Value (p.p.m.) <u>NA</u>
Odor <u>characteristic</u>	Vapor Pressure	
Flash Point (°F TCC) <u>&gt; 300</u>	(mm Hg.) <u>NA</u>	
	Specific Gravity <u>0.965</u>	

## SECTION 3 TOXICITY & CORROSION DATA

Toxicity (Title 49 CFR) DOT	Corrosion (Title 49 CRF) DOT
A. Acute Oral (LD 50)	<u>Not Toxic</u>
B. Acute Inhalation (LC 50)	<u>Not Toxic</u>
C. Skin Absorption (LD 50)	<u>Not Toxic</u>
Toxicity (Title 16 CRF) CPSC	
A. Primary Eye Irritation	<u>Not Toxic</u>
B. Primary Skin Irritation	<u>Not Toxic</u>
C. Skin Sensitizer	<u>Not Toxic</u>

## SECTION 4 FIRE AND EXPLOSIVE HAZARD DATA

Extinguishing Media - Water, dry chemical, foam.

Fire Fighting Procedures - SCBA and normal firefighting precautions.

Type of Fire and Explosive Hazards - Combustion produces oxides of carbon.

## SECTION 5 STABILITY/REACTIVITY DATA

Stable Very stable Unstable \_\_\_\_\_ Incompatibility Oxidizing Agents

Hazardous Decomposition Products - None

Hazardous Polymerization - May occur \_\_\_\_\_ Will not occur XX

Conditions to Avoid - None

**SECTION 6 HEALTH HAZARDS - PRECAUTIONARY DATA**

Effect of Contact: Toxicity and Corrosion

Acute Oral	<u>NA</u>
Skin Absorption	<u>NA</u>
Primary Eye Irritation	<u>NA</u>
Primary Skin Irritation	<u>NA</u>
Skin Corrosion	<u>No</u>
Skin Sensitizer	<u>No</u>

Emergency, First Aid Procedures, and Antidotes - If in eyes, wash immediately with a copious amount of water for 15 minutes. If irritation persists, seek medical attention.

**SECTION 7 HANDLING, STORAGE & TRANSPORTATION DATA**Type of Container to be Used (i.e. glass, metal, fiber, plastic etc.) - Plastic, glass or metal

Type of Protective Equipment &amp; Accessories to be Used (gloves, respiratory, goggles, etc.) -

Not necessaryType of Ventilation and Exhaust System - None normally required.Hazard Class (DOT) Non-hazardous Label required NoneTransportation Mode Unsuitable (name if any) - NoneHandling and Storing: Same as handling any food oils.**SECTION 8 HAZARDOUS INCIDENTS - SPILLS/LEAKS/WASTE**Disposal Procedure (Steps to be taken) - Will mix with water readily and be easily cleaned up.Reporting Procedure - As required by federal, state and local regulations.Waste Products Disposal Method - In compliance with RCRA and all applicable federal, state and local laws and regulations.Information submitted by: W. A. CLEARY PRODUCTS, INC.
